

kerbstone

The natural stone look edging system

Kerbstone's unique aged appearance is ideal for use in areas where a natural and unobtrusive edging is required. Kerbstone will harmonise with gravel paths, as well as areas that have been laid in Tegula paving or textured flags. This versatile edging can also be used to construct steps in various designs.

PRODUCT DEPTH (MM)	SIZE (MM) / DESCRIPTION	NATURAL	CHARCOAL	BRACKEN	HEATHER	CEDAR
