

nbsPlus	Q24	10	110	112	113
	Q25	335			

Retro has a warm, aged appearance which recreates the cobbled look that was popular in many European towns and villages in years gone by. This product is unique to the Tobermore range and is produced in two blended colours, Heather and Bracken.

Retro can be combined with other Tobermore products such as Tegula Setts to create contrasting designs and textures. It can also be laid in the popular herringbone pattern.

product specifications
